RE: Pacific Terminal / Port of Everett – Restricted Receiving

Dear FESCO Shipper:

Effective immediately and until further notice, the Port of Everett (Pacific Terminal) will be open for receiving and pick-ups Monday through Thursday only.

Appointments still are required by noon of the working day before the intended delivery day. The only items that do not require appointments are in-gauge containers (no over-height, no over-width), trailers towed in and parked, and items that the drivers can drive off their trailers and park. All other cargo, including trucks arriving in piggyback combination, require appointments. For appointments:

Primary Contact: (425) 388-0711 Bob Porter or Dock Superintendent on duty
Secondary Contact: (425) 258-8102 Mimi Dillman or Customer Service on duty

Friday and Saturday gates may be available on a paid basis with advance notice.

Please plan accordingly.

Please advise if any questions, or if we may provide any further information.
